

Registry Project Transfer Attestation Form

The undersigned, on behalf of _____,
(the "Project Developer"), represents and warrants to the Climate Action Reserve (the
"Reserve"), as of the date set forth below and throughout the Term of the Terms of Use, that it is
the developer of:

Project Name: _____

Project Location: _____

Project Type: _____

Project Start Date: _____

Project Developer: _____ (collectively referred to as
the "Project").

The Project Developer further represents, attests and warrants to the Reserve that:

1. The Project is intended to be listed on the Climate Action Reserve program of the Reserve (the "Program").
2. The Project Developer has completed and signed the Reserve's Attestation of Title document.
3. The Project previously registered emissions reductions or removals with the following registry(s) or similar system(s) (the "Previous Registries"). List all Previous Registries below, including the vintage year the emissions reductions or removals took place and the volume of emissions reductions or removals generated.

Previous Registry	Vintage	Volume
-------------------	---------	--------

--	--	--

4. The Project will not transfer to the Program emission reductions or removals that were previously registered with Previous Registries. Therefore, none of the emission reductions or removals listed above will be posted to the Program.

5. The Project Developer will provide the Reserve, upon provisional approval of the verification report and opinion, with a copy of a signed Project Transfer Letter informing the Previous Registry where the Project was most recently registered that no additional emission reductions or removals will be registered for the Project on that Previous Registry as of the date that emission reductions or removals from the Project will first be registered with the Reserve. No CRTs will be issued until this letter is received and reviewed by the Reserve.
6. The emission reductions or removals related to the Project, that are submitted for registration on the Program will not be registered on any other registry or similar system during the period that they are registered with the Program. Nothing in this Attestation precludes future reductions from being registered with other Registries or similar programs, provided that they are not also submitted for registration on the Program, and that explicit notice is given to the Program prior to such registration.
7. The emission reductions or removals related to the Project, that are submitted for registration on the Program will be quantified and judged for additionality using the appropriate Reserve protocol.
8. The Project Developer acknowledges that the Project must undergo a full verification to ensure its compatibility with all Reserve eligibility requirements.
9. The emission reductions or removals related to the Project, that are submitted for registration on the Program will be verified by a Reserve accredited verifier.

I declare that all statements contained herein are true and correct, to the best of my knowledge, and are made with full knowledge that the Reserve and all users of the Program rely upon the truth of the statements contained in this attestation. I am authorized to make this declaration on behalf of Project Developer.
