Ontario and Quebec Urban Forest Protocol Adaptation

Stakeholder
Meeting

May 17, 2018

Agenda

- Introductions
- Protocol Adaptation Process & Modified Timeline
- Candidate Protocols
- Next Steps

Ontario & Quebec Carbon Offset Protocol Adaptation

Carbon Offset Protocol	
Landfill Gas Destruction ★	Organic Waste Digestion
ODS Destruction ★	Livestock Manure
Mine Methane Destruction ★	Livestock Enteric
Efficient Refrigeration Systems	Organic Waste Management
Afforestation and Reforestation	Conservation Cropping
Forest: IFM and AC	Fertilizer Management
Urban Forest	Grassland

★ Starred protocols have completed their public consultation phase, have been adopted by Ontario, and are incorporated by reference into the offset regulation

Quebec had these protocols already in force and will incorporate elements of the protocols in its regulatory protocols in a timeline TBD

Applications to register initiatives for these project types can be made to Ontario and Quebec governments

Adaptation Process

Reserve adapts protocols for
Ontario and Quebec

Ontario and Quebec
independently undertake an
adoption process

Protocols become part of
jurisdictions' regulations
